Catalogue Copy

This spring-Loaded blade retracts automatically when pressure on the slide button is released. As the blade is only exposed when the knife is in use, this makes the heavy duty cutter a safer knife option.

Features and Benefits

- Featuring an 18mm blade size, this cutter is perfect for opening cartons around the home and office.
- Designed to be used for opening cartons
- A safer knife since the blade is only exposed when the knife is in use
- Interlocking nose secures blade safely between knife halves
