Thanks to a specially coated surface, the COLOP e-mark® endless labels can be used to create splash-proof and scratch-resistant labels for a multitude of possible uses.

Features and Benefits

- The backing material is 16mm wide, whereas the actual label has a width of 14mm. This ensures easy releasing and imprints on the full surface of the label are possible.
- Full-surface, dark design elements can take longer to dry!
- Enables to create water- and scratch resistant labels
- High adhesion on many surfaces
- Made from PP material
- Label size; 14 mm x 8 m
