The Buzz in Office Supplies

Catalogue Copy

Kraft paper void filling machines produce protective packaging materials based on extruding and folding kraft paper to fill voids in cartons and to provide protection for your product.

Features and Benefits

- The electric paper cushion machine folds single-layer kraft paper into void filling, providing excellent protection in cartons by filling gap and providing impact protection.
- Avoids manually folding and crumpling paper.
- For use with Marbig Professional 100% Recycled Folded Kraft Paper.
- It is an eco-friendly alternative to plastic air filled void fill and wraps.
- Folds up to 70 Metres of paper per minute
