Kraft paper void filling machines produce protective packaging materials based on extruding and folding kraft paper to fill voids in cartons and to provide protection for your product.

## Features and Benefits

- The manual paper cushion machine folds single-layer kraft paper into void filling, providing excellent protection in cartons by filling gap and providing impact protection.
- Avoids manually folding and crumpling paper.
- For use with Marbig Professional 100% Recycled Folded Kraft Paper.
- It is an eco-friendly alternative to plastic air filled void fill and wraps.
