Fast charge your devices. With up to 3A current and compatibility with QC 2.0 and 3.0, you can fast charge all compatible devices when used in conjunction with a QC enabled charger.

Features and Benefits

- MFi Certified giving peace of mind that your cable is manufactured to the high Apple standards and will not damage your device.
- Compatible with all lightning devices, allowing you to use a single cable across multiple devices
- Charge and transfer data at the same time without worrying that your battery will go flat
- Durable soft-touch rubber coating makes using this cable a pleasant experience
