The Maped 014300 KLC Sharpener is designed for young learners, offering a sensory experience. Part of the Kidy Learn Concentration range, this sharpener is perfect for children who are developing their concentration skills.

Features and Benefits

- Soft-touch rotating rings provide sensory stimulation through their rotating movement, reducing stress and aiding children's concentration
- Single-hole and reservoir makes it ideal for easy and efficient use
- The screwed container ensures reliable opening and closing, keeping the contents securely in place
- Compact and Portable: Easily fits into school bags, making it convenient for use at home or school
- Kidy Learn Concentration Range: Part of a specialised range aimed at improving focus during learning
