Floortex TrYlok chair mats incorporates our new TrYlok stability system multi-directional cleats for ultimate stability on carpeted floors. Provides up to 20% improved slide resistance compared to traditional spike grippers.

## Features and Benefits

---

- Prevents damage and wear to carpeted floors, up to 6mm deep, often caused by chair casters and foot wear.
- TrYlok system provides multi-directional cleats that provide maximum resistance to movement.
- Provides up to 20% improved slide resistance compared to traditional spiked grippers.
- Ergonomic easy glide surface for strain-free movement of caster based rolling chairs.
- Precision manufacture ensures no split grippers appear on the mat edges.
- Thickness 2.2mm.
- For low pile carpets up to 6mm.
