Category: BUSINESS MACHINES

Tagline

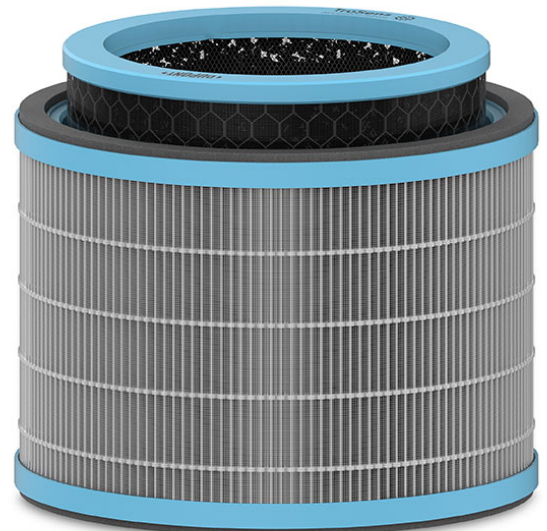

Delivers Cleaner Air So You Can Trust The Air You Breathe.

Catalogue Copy

Help protect your family from the flu and year-round allergies with this 3-in-1 filter. This filter drum captures 99.97% of airborne allergens and viruses, and helps inactivate the H1N1 virus. Compatible with all TruSens Z2000 (Medium) Air Purifiers.

Features and Benefits

- This combination filter has 3 levels of filtration to defend against flu viruses and pollutants in the air
- Filter combines an anti-viral True HEPA filter with an activated carbon filter & a mesh prefilter
- 360 degree filtration draws in air from all directions, collecting pollutants from around the room
- The filter is at the core of purifying your air & replacement is essential for optimal performance
- It is recommended to replace the Anti-Viral HEPA Drum every 12 to 15 months, depending on usage
- It is recommended to replace the Allergy & Flu Carbon Filter every 3 to 4 months, depending on usage
- Change indicator glows red on your air purifier when the filter needs to be replaced
- Compatible with the all TruSens Z2000 (Medium) Air Purifiers
