The Kensington Hi-Fi Headphones with Mic and Volume Control deliver high-quality stereo sound, universal comfort, a noise-cancelling microphone, easily adjustable volume controls, and more

Features and Benefits

- Designed to fit heads of all ages, the adjustable headband is padded and the foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use
- 40mm drivers with deep bass and a wide dynamic range deliver an excellent listening experience
- The flexible boom-style microphone can be rotated up to 270 degrees
- Uses passive resistance technology to filter out ambient noise for optimum speech clarity
- Easily adjust volume and mute the microphone with easy-to-reach controls built right into the cord
- Maximum output to 94db to protect ears from hearing loss or damage
- Works with Windows, Mac and Chromebook devices
