The Universal 3-in-1 2.0 Combination Laptop Lock is a single-tip solution for securing laptops with standard, nano, or wedge-shaped slots. It provides universal compatibility across brands and generations without the need for multiple lock heads.

Features and Benefits

- One lock tip fits standard, nano, and wedge-shaped security slots
- 360° rotatable head enables one-handed locking from any angle without blocking ports
- Proprietary cleat lock firmly grips inside the slot for a secure hold
- 6-foot (1.8m) cut-resistant carbon steel cable with plastic sheathing
- Comes pre-programmed with a 4-number code so you can immediately put it to work
- Meets or exceeds rigorous industry standards for strength and physical endurance
- Free code registration allows for quick, easy, and secure lookup if combination is ever forgotten
- Available in resettable and serialised options to support IT administrators.
- 5-year limited warranty
