The Professionals' Choice

Catalogue Copy

If you need to secure high-value devices that do not have built-in lock slots, the Nano Security Slot Adapter Kit is an ideal solution. Providing robust protection that meets Kensington#s high standards for device security.

Features and Benefits

• Designed in collaboration with Microsoft for the highest quality, form, fit, and function
• Allows users to secure devices that do not have built-in security slots
• Pairs with any NanoSaver® lock, such as the Slim NanoSaver® 2.0 Keyed Laptop Lock (K65021WW)
• Utilises trusted 3M double-sided adhesive tape to adhere the adapter to the device
• The powder coated aluminum design complements the aesthetics of most devices
• Five-year limited warranty
