The Professionals' Choice

Catalogue Copy

Kensington's USB-C® Charging Cabinet is a secure and efficient solution for charging up to 10 devices at once. With fast PD 3.0 technology and compatibility with the latest USB-C® devices, it's perfect for schools, offices, and healthcare settings.

Features and Benefits

- Equipped with PD 3.0, this cabinet rapidly charges all stored devices simultaneously, significantly reducing downtime and ensuring that devices are ready for use whenever needed, enhancing productivity in busy environments
- Lockable cabinet design protects valuable devices from theft and damage
- Cabinet can be locked down to a desk using either the mounting plate or Kensington cable lock
- Accommodates the latest USB-C® devices without the need for multiple adapters
- Securely holds up to 10 devices via adjustable shelving, ideal for managing multiple devices
- Up to 3 cabinets can be stacked to boost capacity to hold up to 30 tablets
- Features a tamper-resistant door secured with a Kensington lock
- The cooling fan adjusts automatically during charging to dissipate heat
- Clear LED indicators provide real-time updates on charging status
- Designed to support ISO/IEC 27001 compliance, helping organisations mitigate data confidentiality risk
