The MK7500F QuietType# Pro Silent Mechanical Keyboard with Meeting Controls elevates your typing experience with features for all-day productivity and focus#and tactile keys that set a new standard for quiet keying.

Features and Benefits

- Perfect for professionals working from home, attending lots of calls, or working where noise needs to be kept to a minimum. The MK7500F provides responsive keys, a quiet typing experience, n-key roll over and universal compatibility for Windows and macOS
- Dampening pads provide quieter typing keys than normal conversation or background music
- Connect via cable, Bluetooth, or use the included 2.4GHz USB receiver for a reliable connection
- Supports all-day typing comfort via a thoughtfully designed full-size aluminum frame
- Enhance your productivity with the built-in meeting controls for video conferencing
- Customise your experience by programming keys, adjusting key mappings, managing profiles, and more
- Rechargeable via provided USB-C cable
- Lasts up to 90 hours after a full charge, even with the backlight at 100%
