The Pro Fit# Ergo MY435 EQ Rechargeable Mouse features an ergonomic mid-size shape and silent-click buttons with triple-device connectivity and a long-lasting rechargeable battery. Built to create a comfortable workspace.

Features and Benefits

- Ergonomically designed to support right-handed users with small to average-sized hands
- Quiet-click left and right buttons support a more peaceful environment
- Rechargeable battery lasts up to 6 months* on a single charge
- *Battery life varies by use. Based on internal testing assuming 1 hour of active use per day.
- Easily connects with up to three devices, effortless multitasking across laptops, desktops and more
- Offers six programmable buttons to enhance productivity and support your workflow
- Buttons and scroll wheel have been independently tested for durability and built to last
- LED indicators for battery life and DPI settings
- Outer case is made with 40% post-consumer recycled (PCR) plastic (exc. scroll wheel and DPI button)
- 3-year limited warranty
