Increase efficiency and productivity with the Wired Numeric Keypad, featuring 21 keys, including four shortcut keys. A smart addition to a laptop or keyboard that isn't equipped with a number pad.

## Features and Benefits

---

- 21-Key number pad with four shortcut keys is a smart addition to a laptop or keyboard that isn't equipped with a number pad. Shortcut keys allow frequently used commands with the press of a button (some shortcut keys are only Windows compatible)
- Slim and lightweight scissor keys offer a responsive, comfortable, and quiet typing experience
- Num Lock indicator provides a visual cue for more efficient typing
- Plug-and-play wired USB-A connection delivers reliable performance without the need for batteries
- Anti-slip foot pads keep the keypad stable and in place
- Compatible with Windows, macOS, and ChromeOS
- A three-year warranty means you can rest assured knowing you're covered by Kensington
