The W2050 Pro 1080p Auto Focus Webcam is optimised for today's most popular video conferencing apps, delivers professional quality video and sound with pro VC features, and is part of Kensington's Professional Video Conferencing ecosystem

Features and Benefits

- High precision glass lenses deliver professionally crisp and vibrant video at 1080p (1920x1080/30fps) # with automatic focus and large sensor for excellent low-light performance
- Integrated software simplifies customising your video settings with the click of a button
- The 92° diagonal field provides a more dynamic view of your environment
- An integrated lens cover lets you easily control who sees you
- Adjust your webcam up to 37° vertically and 360° horizontally to ensure the best camera angles
- Use the electronic pan, tilt, and 2x zoom (ePTZ) to optimize your video frame
- Two omni-directional stereo microphones with noise-reduction and echo-cancelling technology
- The W2050 accommodates both USB-A and USB-C devices like laptops and desktops
- Backed by a two-year warranty
