Tagline

Keep the humidity in your home at the right levels with a TruSens Humidifier.

Catalogue Copy

Benefit from humidified air in your home throughout the changing seasons with a TruSens Humidifier. Easy to use right out of the box, this quiet humidifier automatically adjusts to the required level of mist based on the humidity level you specify.

Features and Benefits

- Features a large capacity top-fill tank that's easy to clean
- An enhanced filter softens hard water to minimise mineral build-up
- SensorPod allows you to control the humidifier's power, misting speed and dimmer
- With its quiet operation, the TruSens Humidifier won't interrupt your work or sleep
- Ideal for rooms up to 45sq m, you can get up to 50hrs of operation depending on the setting
- The TruSens Humidifier features a detachable lid for easy filling and cleaning
