All the benefits of durable Ultimat Polycarbonate with the added benefit of an anti-slip backing. Designed for use on highly polished or high gloss hard floors. Also highly effective on low pile carpets.

Features and Benefits

- Total usage flexibility. Moving office, moving home or just moving your desk to another room. No need to replace your chair mat if the flooring is different. The Unomat is equally effective on both hard flooring and very low pile carpets.
- Designed with a water based anti-slip coating creates a low tack backing
- Anti-Slip coating doesn't stick to the floor yet prevents the mat from sliding
- Will not attract dust & fibres that would result in poor appearance & lack of stability over time
- Will not adversely affect polished, varnished wooden floors or carpets
- Doesn't leave marks on the floor
- Manufactured using 25% renewable energy
- High clarity and 100% recyclable
- Suitable for all hard floors including laminates, parquet, tiles or stone
