

CleanLink

THE FIRST CHOICE
for foodservice, hospitality & janitorial industries

For more than 25 years, Northfork has been manufacturing quality cleaning chemicals at its manufacturing facility in NSW. From food service hygiene, to housekeeping and washroom, personal hand care and laundry washing products, Northfork is ideal for the home and workplace environment. To help ensure the user is safe and well-educated on chemical use, the Northfork range is accompanied by a complete suite of reference material including safety data sheets, usage guidance, wall charts and where to use support sheets.

Safety Data Sheets

Wall Charts

Usage Guides

Where To Use Guides

Accompanying our chemical range is Cleanlink cleaning accessories. Cleanlink products are designed to make cleaning easy. A select range of Cleanlink products incorporate an industry standard colour coding system, this system makes it even easier to allocate the correct cleaning tool in your establishment.

- Low Risk General Cleaning
- Kitchen and Catering Areas
- Infectious Areas
- Toilets, Washroom, and Utility Room
- Operating Theatres

ICON REFERENCE GUIDE

AUSTRALIAN MADE

The majority of Northfork products are made in Australia, manufactured in our Queanbeyan manufacturing facility. We also source the majority of our raw materials locally, supporting Australian jobs & families.

BIODEGRADABLE

Products are biodegradable, which is ecologically beneficial for our environment. The majority of Northfork products are biodegradable.

PHOSPHATE FREE

Products do not contain any phosphates. Excess phosphates in waterways can lead to algae growth & the reduction of available oxygen for aquatic life. The majority of Northfork products are phosphate free.

SEPTIC TANK SAFE

The majority of Northfork products are septic tank safe, as long as they are used in accordance to the directions specified on our labels.

COVID-19 VIRUS (SARS-COV-2)

Products bearing this icon show virucidal effect against COVID-19 virus (SARS-CoV-2). These products are listed on the Australian Register of Therapeutic Goods (ARTG).

GECA

Environmentally preferable products certified by GECA, Good Environmental Choice Australia. GECA's ecolabel provides an independent tick to purchasers that certified products are better for the environment.
